Tuesday, November 24: EPA Region 7 Administrator Mark Hague and Missouri Attorney General Chris Koster to Speak about the West Lake Landfill

Contact Information: Kris Lancaster, 913-551-7557, lancaster.kris@epa.gov

MEDIA ADVISORY

(Lenexa, Kan., November 24, 2015) – Today EPA Region 7 Administrator Mark Hague and Missouri Attorney General Chris Koster will speak at the Robert. A. Young Federal Building in downtown St. Louis regarding the West Lake Landfill Superfund Site in Bridgeton, Mo.

Mark Hague will make an important announcement regarding recent on-site soil sampling in Operable Unit 1, Area 1, of the site. Missouri Attorney General Chris Koster will also speak about the site.

Parking is available in the area around the building. Please allow time for parking and passing through the building's security process in order to arrive on time.

WHAT: Remarks about the West Lake Landfill Superfund Site

WHEN: 1:00 p.m. Central Time, Tuesday, November 24, 2015

WHERE: Robert A. Young Federal Building, 1222 Spruce Street, St. Louis, Mo.

WHO: EPA Region 7 Administrator Mark Hague, Missouri Attorney General Chris Koster
